## SECTION A: FUNDING OPPORTUNITY DESCRIPTION

### *A.1. Background*

The U.S. Department of State, Bureau of Global Talent Management's Talent Acquisition Directorate (GTM/TAC) announces an open competition for eligible organizations to support programmatic, financial, and administrative activities for the new Nancy Pelosi Fellowship Program.

A cooperative agreement for up to \$1,642,510 U.S. Dollars (USD) in FY 2024 Diplomatic Program Funds will be awarded, pending availability of funds, for work that will support activities for 2025-26 Nancy Pelosi Fellowship Program student cohort. In support of the Department's goal of cultivating a workforce that reflects the diversity of the United States, the program develops a diverse cadre of future national security professionals and diplomats who are dedicated to representing America's interests abroad.

The Nancy Pelosi Fellowship Program encourages applications from members of groups historically underrepresented in the Foreign and Civil Service, women, and those with financial need. The program directly supports FY22-26 State-USAID Joint Strategic Plan's Strategic Objective 4.1: Build and equip a diverse, inclusive resilient and dynamic workforce and supports GTM's Functional Bureau Strategic Objective 1.1: Recruit and hire a highly qualified workforce from all segments of society.

### *A.2. Program Description*

Established under the Consolidated Appropriations Act, 2023, The Nancy Pelosi Fellowship Program is a new program intended to enable undergraduate students to leverage professional experience gained through paid Fellowship opportunities at the Department of State and at think tanks, foundations, or other non-education institutions dedicated to global service and engagement to prepare to

pursue a career in the Department of State's Foreign or Civil Service. The program recruits and builds diverse future talent sources in support of the Department's strategic workplace planning priorities to hire a highly qualified workforce from all segments of society.

The Department invests in participants by providing financial assistance for undergraduate students to complete paid domestic internships over the course of up to two consecutive summer cycles, the first at a D.C.-based think tank, foundation, or other non-education institution dedicated to global engagement and public service. Approximately one year after, students will be encouraged and favorably considered to complete a second paid internship with an office of the Department of State, managed directly through the Department's well-established Student Internship Program. Though placement in the second paid internship at the Department is not guaranteed, successful completion of the first summer Pelosi Fellowship will be a positive factor in consideration for the Department's Student Internship Program. Fellows are provided with professional development, mentoring, and complementary learning activities throughout the duration of the program. Through an integrated program, Fellows forge lasting connections and develop skills to prepare for future work as national security professionals and diplomats.

This award will provide for the selection of approximately 20-25 Fellows and will cover approved costs for the program period. Recipient will be advised of the final number of Fellows prior to the selection cycle.

### *A.3. Project Goals*

- Develop future talent for the Department of State's Foreign and Civil Service, starting at the undergraduate level.
- Increase opportunities and pathways for undergraduate students to engage in public service to prepare for careers within the Department of State advancing national security and foreign policy interests.

#### *A.4. Program Objectives*

- Equip future talent with direct insight and foreign policy-related work experience through a program of professional development and practical internship experience.
- Develop network of participating D.C.-based national security think tanks, foundations, or non-education institutions for Fellowship participants to gain direct professional experience with non-governmental foreign affairs entities dedicated to global service and engagement.
- Enable participants to benefit from paid internship experience with participating think tank, foundation, or non-education institution.
- Provide Fellowship cohort with professional development, mentoring, and complementary learning enrichment activities to prepare them for future work as foreign affairs professionals.
- Provide Fellows with information and direct insight on the service elements, benefits, challenges, and requirements of a Foreign Affairs career and understanding of entry pathways to Foreign and Civil Service careers.
- Establish and administer the program in a strategic and efficient way that produces the intended results.

The Department of State reserves the right to (a) fund any or none of the applications received; (b) reserves the right to reduce, revise, or increase the budget in accordance with bureau proprieties and the availability of funds.

The U.S. government may make award(s) on the basis of initial applications received, without discussions or negotiations. Therefore, each initial application should contain the applicant's best terms from a cost and technical standpoint.

### *B.2. Award Management*

The successful applicant will need to routinely collaborate with GTM/TAC through regular meetings and conference calls to discuss progress, challenges, emerging topics, etc. The successful applicant must ensure that all funds are used in a manner consistent with any applicable restrictions on funding. See D5 below for funding restrictions.

## SECTION C. ELIGIBILITY INFORMATION

### *C.1. Eligible Applicants:*

Please see Page 1, Eligibility.

### *C.2. Cost-Sharing or Matching*

The non-Federal share of costs, frequently called “cost share” or “matching costs”, refers to that portion of the project or program costs not borne by the Federal Government. This may include cash and third-party in-kind contributions. These costs must reflect the realistic capacity of the applicants and any third-party contributors.

Providing cost sharing, matching, or cost participation, is not an eligibility factor or requirement for this NOFO and will not result in a more favorable competitive ranking. Per 2 CFR §200.306, items that are proposed for cost share must be allowable per 2 CFR §200, Subpart E—Costs Principles.

### *C.3. Other Eligibility Criteria*

Applicants must have existing, or the capacity to develop, active partnerships, relevant stakeholders and have demonstrable experience in administering successful and preferably similar projects.

Any applicant listed on the Excluded Parties List System (EPLS) in the [System for Award Management \(www.sam.gov\)](https://www.sam.gov) is not eligible to apply for an assistance award in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR, 1986 Comp., p. 189) and 12689 (3 CFR, 1989 Comp., p. 235), “Debarment and Suspension.” Additionally, no entity listed on the EPLS can participate in any activities under an award. All applicants are strongly encouraged to review the EPLS in sam.gov to ensure that no ineligible entity is included.

*D.3. Unique entity identifier (UEI) and System for Award Management*  
[www.sam.gov](http://www.sam.gov)

The Unique Entity Identifier (UEI) is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards. [www.sam.gov](http://www.sam.gov) is the Federal government's primary database for complying with FFATA reporting requirements. OMB designated [www.sam.gov](http://www.sam.gov) as the central repository to facilitate applicant and recipient use of a single public website that consolidates data on all federal financial assistance. Under the law, it is mandatory to obtain a UEI number and register in [sam.gov](http://sam.gov) **before submitting an application.** Bureau of Global Talent Management

may **not** review applications from or make awards to applicants that have not completed all applicable UEI and sam.gov requirements.

The 2 CFR 200 requires that sub-Recipients obtain a UEI number. Please note the UEI for sub-grantees is not required at the time of application but will be required before the award is processed and/or directed to a sub-grantee.

UEI is assigned by [sam.gov](https://sam.gov) assigned to organizations that have to register/or renew their [sam.gov](https://sam.gov) registration.

***Note: The process of obtaining a [sam.gov](https://sam.gov) registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.*** Numerous errors require correction, such as an address mismatch, and can delay final registration. If the application is not corrected within 90 calendar days of original registration/or renewal submission, it will be automatically deleted and the organization will need to re-start the process.

All prime organizations must continue to maintain active sam.gov registration with current information at all times during which they have an active Federal award or application under consideration by a Federal award agency. Sam.gov requires all entities to renew their registration once a year in order to maintain an active registration status in sam.gov. It is the responsibility of the applicant to ensure it has an active registration in sam.gov and to maintain that active registration. If an applicant has not fully complied with the requirements at the time of application, the applicant may be deemed technically ineligible to receive an award and use that determination as a basis for making an award to another applicant.

Please note, guidance on sam.gov and the guidance on GSA's website about requirement for registering in sam.gov is subject to change. Applicants should review the website frequently for the most up-to-date guidance.

The attached “UEI and sam.gov FAQ updated 021623” is a resource provided by the grants policy office. Any content shown from sam.gov is not owned by the Department of State. This guidance and instruction are to the best of our knowledge based at the time of posting this solicitation. **Where guidance in this NOFO differs from the sam.gov website, sam.gov prevails and the applicant is encouraged to seek and document clarity provided by the sam.gov helpdesk.**

### *D.3.1 Exemptions*

An exemption from these requirements may be permitted under the following circumstances:

- Recipient is a *foreign organization* receiving an award that will be performed outside the United States valued at less than \$25,000, if the Grants Officer deems it to be impractical for the entity to obtain a UEI or register in sam.gov.
- The recipient is an *overseas school* and does not currently have a UEI number.
- The award relates to a *classified or national security* matter.
- The recipient’s *identity must be protected* due to possible endangerment of their mission, their organization’s status, their employees, or the beneficiary being served by the recipient.
- There are *exigent circumstances* that prohibit the recipient from receiving a UEI and completing SAM registration prior to receiving the award. These circumstances are identified in the justification below and the recipient will be required to register within 30 days of the award date in accordance with 2 CFR 25.

Organizations requesting exemption from UEI or [sam.gov](https://sam.gov) requirements must email the point of contact listed in the NOFO at least **two weeks prior to the deadline in the NOFO providing a justification of their request**. Approval for a sam.gov exemption must come from the warranted Grants Officer before the application can be deemed eligible for review.

#### *D.4. Submission Dates and Times*

**Applications are due no later than 11:59 PM Eastern Standard Time (EST), on (see page 1 for application deadline) on [grants.gov](https://www.grants.gov) under the announcement title “Nancy Pelosi Fellowship”, “Funding Opportunity Number.”**

Faxed, couriered, or emailed documents will **not** be accepted. Reasonable accommodations may, in appropriate circumstances, be provided to applicants with disabilities or for security reasons.

It is the responsibility of the applicant to ensure that it has an active registration in [grants.gov](https://www.grants.gov) that an application has been received by the system in its entirety. [Grants.gov](https://www.grants.gov) will automatically log the date and time an application submission is made, and the Department of State will use this information to determine whether an application has been submitted on time. Late applications are neither reviewed nor considered. Applicants should not expect a notification upon GTM/TAC receiving their application.

GTM/TAC bears no responsibility for disqualification that results from applicants not being registered before the due date, for registrations errors in either system, or other errors in the application process.

#### *D.5. Funding Limitations, Restrictions, and Other Considerations*

GTM/TAC will not consider applications that reflect any type of support for any member, affiliate, or representative of a designated terrorist organization.

Please refer the link for Foreign Terrorist

(1) Was “convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency has direct knowledge of the conviction, unless the agency has considered, in accordance with its procedures, that this further action is not necessary to protect the interests of the Government”; or

For the purposes of Section 7073, it is the Department of State's policy that no award may be made to any organization covered by (1) or (2) above, unless the Procurement Executive has made a written determination that suspension or debarment is not necessary to protect the interests of the U.S. Government.

Organizations should be cognizant of these restrictions when developing project proposals. Funding restrictions will require appropriate due diligence of the recipient organization and collaboration with GTM/TAC to ensure compliance with these restrictions. Program beneficiaries subject to due diligence vetting will include any individuals or entities that are beneficiaries of foreign assistance funding or support. Due diligence vetting will include a review of open-source materials.

### *E.3. Responsibility/Qualification Information in sam.gov (formerly FAPIIS)*

The Department of State, prior to making a federal award with a total amount of federal share greater than the simplified acquisition threshold, is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (formerly FAPIIS) (see 41 U.S.C. 2313).

The applicant, at its option, may review information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through [www.sam.gov](http://www.sam.gov). Currently, federal agencies create integrity records in the integrity module of the Contractor Performance Assessment and Reporting System (CPARS) and these records are visible as responsibility/qualification records in [sam.gov](http://sam.gov).

The Department of State will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants as described in §200.205 Federal awarding agency review of risk posed by applicants.

Applicants are reminded that U.S. Executive Orders and U.S. law prohibits transactions with or support to individuals or organizations associated with terrorism.

- Proposals that reflect any type of support for any member, affiliate, or representative or a designate to terrorist organization or narcotics

trafficker, including elected members of government, will NOT be considered. This provision must be included in any sub-awards/sub-contracts issued under this award.

- U.S. Applicant organizations must demonstrate adherence to equal opportunity employment practices and commitment to non-discrimination with respect to beneficiaries. Non-discrimination includes equal treatment without regard to race, religion, ethnicity, gender, and political affiliation.
- Applicants under DOS-funded projects are responsible for complying with all applicable tax treaties and federal, state, and local laws on tax withholding and reporting for project participants.

In addition, the entity must report the collected audit data elements on the form SF-SAC and submit it to the FAC. Any findings such as material weaknesses, significant deficiencies, or material noncompliance are reported on the SF-SAC.

To maximize the impact and sustainability of the award(s) that result from this NOFO, GTM/TAC retains the right to execute non-competitive continuation through amendment(s). The total duration of any award, including potential non-competitive continuation amendments, shall not exceed 54 months, or four and a half years.
